Payment arrangement (status)

- Current arrangement (as directed by Society): prepaid multi-year term using a director's personal PayPal account.
- **Long-term requirement:** move renewals to a Society-controlled payment method (Society bank debit/credit card) well before September 2031.
- Do **not** change the live payment method without Society approval.
- Prefer multiple directors receive Infomaniak billing / renewal notifications.

Last reviewed: 24 September 2026 — per-resident library auth; DATA_DIR and SMTP device documented (no secrets).
